Operation Restoration – El Alfarero
March 2011

Greetings to All, from Santa Cruz, Bolivia...

My name is Cilvia Nogales and I am a single mother. I have one son, his name is Aarón and he is 10 years old. For the last year and a half I have been working with Operation Restoration, in “El Alfarero”, where 7 girls live who used to live on the streets of Santa Cruz. It is a service that I really enjoy. God called me to serve Him, through the lives of street children and teenagers. For that reason I left secular work and now each day I am in “El Alfarero”.

Progress and maturity

I work as an educator for the girls. I am a mother and I try to teach what I know to the girls who are also mothers. I like to their progress and the maturity that they have achieved in their spiritual life, their studies and other responsibilities. As a testimony I can say that God is working a lot on my character and I have learnt to ask Him what I should do. Also I want to say that I love each one of the girls just as they are.

My dreams

One of my dreams is to be able to equip a room here as a gym with different types of apparatus, so that the girls can burn some of their energy and release themselves from stress. This would also help them to feel healthier! Another dream we have with my son Aarón is do the DTS: The Youth with A Mission, Discipleship Training School. Please pray for us and we hope to count on your support. We want to know God in a deeper way and serve Him better. Our school will be starting in August 2011.

Thanks

Thank you for your interest, support and prayers for the ministry Operation Restoration. Your involvement has huge value for my life, the lives of the other workers and of course for the lives of all the children and teenagers with whom we are working.

Prayer points

- ♦ For Darlin and Alex / Ninoska and Franco. They are the girls who are mothers and live in “El Alfarero”. That the relationship they have with their children will continue to deepen.
- ♦ For me and my son Aarón that God continues to use us according to His will.
- ♦ For the Discipleship Training School that we will be part of from August 2011 for 5 months.

*Many thanks and God bless you abundantly.
In Christ, Cilvia and Aarón*
